Education

Bachelors of Science in Education

UNIVERSITY OF NORTH DAKOTA | Grand Forks, ND

2011 - 2015

- Major: Elementary Education
- Certification: English Language Learners

Professional Experience

SOFTWARE GUILD, Software Apprentice | Minneapolis, MN

2016

- The Software Guild is an intensive 3 month program that teaches apprentices C#/.NET skills required to be a successful full stack junior software engineer.
- Architected and developed a business application for tracking orders using C# and the .NET framework, and implemented unit testing for checking application functionality.
- Created a functional web application using the MVC pattern, and used Javascript and bootstrap for organization and display.
- Tracked weekly progress of projects through the use of Atlassian tools such as Jira for maintaining agile sprints, and crucible for code reviews.

MCCULLOUGH ELEMENTARY SCHOOL, 2nd Grade Teacher | Hastings, MN

2016

- Developed creative and engaging lesson plans that met the needs of all students
- Implemented consistent classroom management, while creating an environment that is safe and centered around learning
- Used informal and formal assessments, checking students understanding throughout the semester, and adjusting lesson plans accordingly
- Helped with professional development within technology, implementing iPads into the classroom
- Taught guided reading, guided writing, and guided math, allowing for students to receive lessons catered to their needs
- Built positive relationships with students to help better their learning through gaining an understanding of them

Volunteer

FREEDOM CHURCH PRESCHOOL TEACHER | Grand Forks, ND

2012 - 2015

- Created a comfortable and exciting learning environment by better understanding my students

FLOURISHING FUTURES | Ulaanbaatar, Mongolia

2015, 2016

- Interacted daily with kids, which included participating with them in their national sport - wrestling (I only lost to the little ones)
- Showed love to the students who did not receive love from their families or their families had abandoned them
